

## Content based videos for UG (BA) & MA Hindi Students

Content based videos for UG (BA) Students in different courses/papers exclusively in **Hindi Language** to help the students continue their studies in **Mother Tongue**. Also videos of **MA Hindi** are made available in the same link

**URL:** <https://www.youtube.com/@IgnouBAandMHD>

It would provide academic support to students intended to pursue their study in Hindi Language, enrolled in UG Prog, with access to quality videos of various courses/papers under different playlists. The videos are designed, developed as per the course curriculum of IGNOU and are arranged in sequence i.e course/paper wise. Students can access at their own pace and make use of these videos for better learning and understanding of course content. I am sure and confident that these videos will rightly supplement the study materials of IGNOU... and also help students who are yet to get study materials as well.
