

As the courses of old BDP (BA,B.Sc, BCom) have been completely revised and updated, there is very little similarity between the courses of the old BDP and the revised CBCS based BAG,BSCG,BCOMG programmes. As the similarity is less than 75% between old and the new programmes, credit transfer cannot be granted as per IGNOU norms.

The student has to complete the entire programme afresh, without any benefit of credit transfer.
