

We are pleased to inform you that the UGC MOOC “**Community Engagement and Social Responsibility**” will be offered once again on the **SWAYAM** platform from **21st August 2025**.

In line with the vision of **NEP 2020**, which emphasizes the importance of *online learning* and *credit-based education*, this MOOC offers a **unique blend of theory and field-based learning**. Learners can **earn two credits—one for theoretical learning and one for community-based fieldwork**—making it one of the few courses that allow students to **work directly with society at the grassroots level** while fulfilling academic credit requirements.

We kindly request you to encourage both **students and faculty members** of your institution to enroll in this course, especially those who missed the previous opportunity. Participation in this course will significantly enhance the ability to **understand, contribute to, and lead initiatives under the Unnat Bharat Abhiyan (UBA)**.
