

As you are aware, the Extended Contact Programme (ECP) is a compulsory component of the PGDHE. The duration of the Programme is 10 days and it comprises individual and group activities supervised by Resource persons at the Regional Centers or through online mode.

The dates for this Year's ECP are being proposed from ***15 th April-25 April, 2023***. A detailed schedule of activities to be undertaken during this period will be sent shortly.
