To Obtain IGNOU, I _ Card

The students may be advised to register themselves on the Student Portal (**https://ignou.samarth.edu.in**). They have to click 'NEW REGISTRATION' on the portal, provide their registration details, and register. In the registration process they will get an OTP on their registered mobile number and email. Once they register successfully, they can download their I-card from their account. The I-cards of all the students enrolled through Samarth Portal in Jan 2020 and July 2020 (till date) have been made available on the Student Portal. As a matter of fact, ALL **our students with valid registration need to register on the Student Portal**, because all the services shall be provided through student login only in future.

IGNOU, RC Deoghar
